Dear kindergarten parents/guardians,

Congratulations! Your child is getting ready to start kindergarten. This is an exciting transition that often comes with mixed emotions for the entire family. You may be looking forward to this new change, though you may also have concerns about before and after school care for your child while you are at work.

PLASP Child Care Services is a charitable organization that operates on a not-for-profit basis, providing early learning and child care programs to families in Peel Region and Toronto.

At PLASP, we give parents peace of mind while providing high-quality, licensed programs for children who need care before school starts, and at the end of the school day.

Our before and after school programs include:

- Healthy morning and afternoon snack
- Programs available from 7:30 a.m. to 6 p.m. (extended hours available at select locations)
- Engaging activities that follow the Ministry of Education's *How Does Learning Happen?* document.

Our ECE staff work collaboratively with kindergarten teachers and classroom ECEs to ensure a smooth transition throughout the day for your child.

PLASP currently provides programs at your child's school. Our programs operate based upon having sufficient enrolment.
